HACC

Please join us for the EASE Initiative Seminar at Harrisburg Area Community College on May 6, 2020. This will be a great opportunity for students on the autism spectrum and their parents to “ease” into the transition from high school to college and career, while learning about all the opportunities, support and services available to you at HACC. Activities planned for the day include:

- Free Breakfast and Lunch
- Keynote Speaker
- Exploration of college and career opportunities through self-assessment and career assessment tools
- Discussion about post-secondary opportunities, services, rights, responsibilities and self-advocacy for students with autism spectrum disorders
- “Campus experience” including a tour and lunch at the dining hall
- Interaction with college faculty, professional staff, disabilities staff, and financial aid staff to learn about financial aid, disability services and assistance available
- Group discussion with a panel of HACC students who are living the college experience with autism
- Hands-on computer and culinary activities with HACC faculty and students
