

Date of Meeting: 03/31/2020

Time of Meeting: 11:00 am

Program(s) of Study: Auto Tech; Auto Collision; Construction Heavy Equipment/Earthmoving Equipment; Medium/Heavy Vehicle & Truck Tech; Vehicle Maintenance & Repair Tech; Logistics, Materials & Supply Chain

CIP Code(s): 47.0603; 47.0604; 49.0202; 47.0613; 47.0699; 52.0203

Meeting Attendees:

| Instructor | Email Address | Present? |
|------------------|------------------------------|----------|
| Brett Reider | breider@lanasterctc.edu | |
| Jim Smith | jsmith@lanasterctc.edu | x |
| Alan Wakefield | awakefield@lanasterctc.edu | x |
| Donny Lingle | dlingle@lanasterctc.edu | x |
| Darrel Eby | deby@lanasterctc.edu | x |
| Rich Moore | rmoore@lanasterctc.edu | x |
| Dave Appleman | applemand@carliseschools.org | |
| Andrew Wagner | awagner@dcts.org | |
| Dave Merges | dmerges@ytech.edu | x |
| Todd Kessler | tkessler@ytech.edu | x |
| Jared Comeau | jcomeau@cpavts.org | x |
| Josh Funk | jfunk@cpavts.org | x |
| Craig Turnbaugh | cturnbaugh@lanasterctc.edu | x |
| Dave Bolich | dbolich@lanasterctc.edu | x |
| Jim Penton | jpenton@gasd-pa.org | |
| Doug Krepps | dkrepps@cpavts.org | x |
| Andy Parson | aparson@cpavts.org | x |
| Brian Diehl | bdiehl@dcts.org | |
| Chris Rutters | crutters@ytech.edu | x |
| Michael Deatrick | mdeatrick@ytech.edu | x |
| Josh Lingle | jlingle@lanasterctc.edu | x |
| Rich Moore | rmoore@lanasterctc.edu | |
| Kent Brady | kbrady@dcts.org | x |
| Michael Spahr | mspahr@ytech.edu | x |
| Carl Warden | cwarden@lanasterctc.edu | x |
| Joe Knouse | jknouse@cpavts.org | x |
| Brenton Yaukey | byaukey@cpavts.org | x |

| | | |
|-----------------------|--------------------------------|----------|
| Richard White | rwhite@lancasterctc.edu | x |
| Aaron Dressler | adressler@dcts.org | x |
| Eric Hoffman | ehoffman@ytech.edu | x |

Additional Attendees: Jim Brunken – York; Scott Rogers - York

Comments/Ideas/Notes worth Sharing:

- Post a question of the day on your learning platform to determine level of student engagement
- Keep instruction simple and keep the students engaged
- Host Daily Zoom Meetings with 20-30 minutes of activity for students to do each day.
- Zoom meetings also beneficial to stay in touch with parents
- Youtube videos work well

Instructional Resources for Sharing:

- Tomorrow's Technician Website – Great Videos and Links:
<https://www.tomorrowstechnician.com>
- Electude – ELearning for Auto Students: <https://www.electude.com>
- Microsoft Teams – Great app for working and connective remotely:
<https://products.office.com/en-us/microsoft-teams/group-chat-software>
- Remind App – Great 3rd party notification option for reaching students and parents where they are: <https://www.remind.com/>
- Snap On – Great industry supported curriculum resources:
<https://www.snapon.com/EN/Our-Customers#SchoolsStudents>
- Nearpod is a great resource for quizzes and self-paced instruction:
<https://nearpod.com/>

- GimKit – Learning game platform your students will love:
<https://www.gimkit.com/>
- Quizzizz – Free teaching and testing on every device: <https://quizizz.com/>
- CDX Automotive – the Fundamentals of Auto Tech:
<https://www.cdlearning.com/>
